B551: Final practice problems in book

Hi B551 students,

A couple of students have asked me which problems in the book would be good practice. I've looked through and found the following:

Chapter 3: 2,5-7,10,14,16,17,21

Chapter 4: 7-9,12

Chapter 5: 7,8,12,14,16

Chapter 6: 2-4

Chapter 13: 7,9,10,11,13-15

Chapter 14: 1,3,6,11-14

Chapter 15: 2,4,16

Chapter 17: 4,7-10

Chapter 18: 5,7,11,15-18,20,22

Chapter 20: 2,3,5,8

Although you will not be able to do all of these problems during your studying, I would suggest picking a few from a given chapter and making sure that you can solve them without looking too much into the book (except when needed for information to solve the problem).

Hope this is helpful,
Kris Hauser
